

CLASS "A" CDL TRAINING

CIP Code: 49.0205

Program Overview

This four-week daytime program is designed to assist students in earning their Class A Commercial Driver's License with air brake endorsement. A unique partnership with Barber Trucking Inc. has provided the opportunity for both theory classroom and behind-the-wheel instruction. Training covers actual range, city, rural and interstate driving experience. This all-inclusive training will provide students with a competitive edge to gain successful employment in the rapidly expanding professional commercial motor vehicle industry.

Course topics include: basic operation, safety and advanced operating procedures, vehicle systems and reporting malfunctions, non-driving activities, driving exercises related to basic vehicle control, mastery of basic maneuvers and procedures, movement, shifting, communications, observation, speed and space, safety, logging, documentation and an understanding of Federal Motor Carrier Safety Administration and PennDOT regulations.

Classes are held Monday thru Friday and two Saturdays from 8:00am-5:00pm at Barber Trucking Inc.

Course Cost: \$4,200.00 *(Tuition cost does not include the purchase of required clearances, background checks, drug testing, license upgrade fees, DOT physical and work clothing costs)*
