

Wilton Cake Decorating I

7.5 Hours

In course 1, you will build skills you can use for all decorating projects; from cupcakes to cakes for any occasion. Whether you are new to decorating or have been decorating for years, when you complete course 1, you will be proud of the new techniques you've learned and ready to showcase them on your next project.

Your skilled Wilton Instructor will help you each step of the way as you learn how easy it can be to:

- Make icing the right consistency to decorate
- Fill and use a decorating bag
- Ice and decorate cupcakes
- Pipe lines and make simple borders, letters and shapes on your cake
- Make six different buttercream icing flowers
- Transfer images to a cake to decorate
- And much more!
