

GED Prep Course

Community Action, Inc.'s Career Development Project

Adult Basic Education and GED® classes are available for the following services.

1. Prepare for a GED®
2. Brush up on reading, writing, and math skills needed to compete in the employment market
3. Prepare to go to college or trade school
4. Available for English as a Second Language (ESL) on a case-by-case basis through tutoring
5. Receive career development counselling and instruction as part of the classroom learning experience

Classes are held **Tuesday & Thursday evenings from 5:00pm – 8:00pm at Jeff Tech**

and at other times and areas across Jefferson County.

To register or for more information, please contact the Career Development Project at 814-938-3302 or 814-591-5534, via email at careerdevelopment@jccap.org .
