

PennDOT Safety Inspection Certification

This course will provide instruction for individuals seeking to become certified PA State Inspection Mechanics.

There are three categories of certification.

- Category #1 - Cars, light trucks under 17,000lbs & trailers under 10,000lbs
- Category #2 - Motorcycles
- Category #3 - Trucks & buses over 17,000lbs & trailers over 10,000lbs
- Category #4 - Enhanced Inspection/Document reviewer

All category testing is available at each session.

All individuals must be at least 18 years of age and have a valid driver's license for each class of vehicle they intend to inspect, each night of class. A certificate will be issued to the student by the PA Department of Transportation approximately 4-6 weeks after all components of the course are successfully completed.

Any individual who holds an out-of-state drivers license will need to contact PennDOT at 717-787-2895 prior to the start of class to be issued a "PA number" to be used on their 409 form.

Students should be aware that while every effort will be made to assist them in learning the skills needed to be a proficient inspector, a basic understanding of mechanics and vehicle repair is assumed upon registration. Novice students may struggle and may not be successful during their first attempt without this background.

Classes will be held Monday, Tuesday, & Thursday from 5:00 p.m. to 9:00 p.m. and Saturday from 7:00 a.m. until completed.

Course Code: 183

Course Length: 17 hours

Course & Supply Costs: \$159.00 includes one category, theory class, written and tactile testing. \$55.00 for each additional category added.

Class Dates: Fall 2019

You can register and pay for the class using a credit card online with the Online Registration and Payment system or, for those individuals that do not wish to pay online, print and complete the Evening School Application and submit the application and payment to Jeff Tech via US mail or in person at the school office. Classes are filled on a first come first serve basis.
