

Health and Safety Plan Summary: Jefferson County-DuBois AVTS

Initial Effective Date: August 23, 2021

Date of Last Review: August 22, 2022

Date of Last Revision: August 22, 2022

1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?

Jeff Tech will implement procedures consistent with best practices for cleanliness, ventilation and operations.

2. How will the LEA ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?

Jeff Tech will be fully operational utilizing all resources on hand to ensure the needs of the students and staff members are met. Having been open during the last two years, we have no doubt we are able to provide continuity of operations. All operations will be normal.

3. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.
